JULY RECAP

PLANNING TODAY. SERVING TOMORROW.

A MONTH
DEDICATED TO
STRATEGIC
PLANNING,
COMMUNITY
OUTREACH, AND
CREATING
LASTING IMPACT.

LOOKING BACK AT JULY

July reminded us that meaningful change begins with thoughtful planning and grows through service.

During the month, the LinkCare Center family came together to map out our priorities for the 2026/2027 financial year before travelling to Isiolo to continue our commitment to uplifting vulnerable communities through charitable outreach.

Every meeting, every conversation, and every act of kindness brought us closer to our vision of building empowered, resilient, and compassionate communities.

11 JULY

PLANNING FOR GREATER IMPACT

FY 2026/2027 STRATEGIC PLANNING MEETING

This month began with one of the most important activities on our organizational calendar as members of the Board, management, and staff gathered at the prestigious [Windsor Golf Hotel & Country Club](#) for our [Financial Year 2026/2027 Strategic Planning Meeting](#). The session provided an opportunity to reflect on our achievements, evaluate lessons learned, and establish strategic priorities that will guide LinkCare's work throughout the coming financial year.

The session focused on reviewing our achievements, reflecting on lessons learned, and setting ambitious yet achievable priorities for the coming financial year.

The meeting reinforced our shared commitment to accountability, innovation, and service as we prepare for another year of empowering communities.

11 JULY

PLANNING FOR GREATER IMPACT

FY 2026/2027 STRATEGIC PLANNING MEETING

This planning session reaffirmed that sustainable impact is never achieved by chance. It is the result of deliberate planning, strong accountability, and a shared commitment to the communities we serve.

As we embark on the 2026/2027 financial year together, we remain committed to delivering meaningful, lasting change and advancing our mission with excellence and integrity.

14 JULY

JOURNEY TO ISIOLO

CHARITY DRIVE AT ISIOLO VICTOR'S RESCUE CENTER

A few days after our planning meeting, the LinkCare team travelled to Isiolo County for a charitable outreach mission aimed at supporting communities through compassion, engagement, and practical assistance.

Throughout the day, volunteers shared meals with the children, interacted with them through conversations and activities, and delivered much-needed supplies that will continue supporting them long after the visit. Every smile, every shared meal, and every word of encouragement reflected the values that define LinkCare: service, empowerment, and lasting impact.

The outreach reminded us that kindness is not measured by the size of a donation but by the lives it touches. Together with our partners and supporters, we were able to restore hope, strengthen relationships, and create moments that the children will remember for years to come.

14 JULY

JOURNEY TO ISIOLO

CHARITY DRIVE AT ISIOLO VICTOR'S RESCUE RUNDOWN

Our journey to Isiolo began with a warm welcome from the Victor Rescue Center family, setting the tone for a day filled with fellowship and compassion. Following an opening prayer and introductions, our team had the opportunity to meet the children, volunteers, and staff, creating meaningful connections as everyone mingled while lunch was being prepared.

As lunchtime arrived, everyone gathered to share a delicious meal together. The children enjoyed a hearty lunch accompanied by juice and snacks, while conversations, laughter, and smiles filled the room. Beyond the meal, the day came alive through vibrant performances by the children, who entertained everyone with songs and dances. Our team joined in the celebrations, taking part in games and activities that created unforgettable moments of joy and togetherness.

As the outreach drew to a close, everyone came together once more for a final prayer, giving thanks for the day's blessings, the new friendships formed, and the lives touched through the outreach. With hearts full of gratitude and renewed purpose, the LinkCare team bid farewell to the Victor Rescue Center family and began the journey home, carrying with us cherished memories and a deeper commitment to continue serving communities with compassion and hope.

VOICES FROM THE MONTH!

"This planning session reminded us that sustainable impact is never accidental. It is built through careful planning, accountability, and a shared commitment to the communities we serve. Our journey to Isiolo just days later was a powerful reflection of that vision in action, proving that when purpose is matched with action, lives are transformed. As we begin the 2026/2027 financial year, I am encouraged by the passion, unity, and dedication demonstrated by our entire team."

— **Charles Mwangi, Founder, Board Chair & Executive Director**

"The strategic planning meeting challenged us to think beyond today's needs and focus on the future we want to build. It was inspiring to see every team member contribute ideas that will strengthen LinkCare's programs in the coming year. Our outreach to Isiolo soon after demonstrated that effective planning is only meaningful when it leads to action, compassion, and tangible impact in the communities we serve."

— **Joe Muguro, Project Manager & Coordinator**

"Volunteering during the Isiolo outreach was a truly humbling experience. Seeing the joy on the children's faces and knowing that our time, compassion, and collective efforts brought hope to their lives was deeply rewarding. Moments like these remind us that even the simplest acts of kindness can leave a lasting impact, and I am grateful to have been part of a team dedicated to serving with love and purpose."

— **Mama Aidah, Volunteer - Linkcare Center**

VOTE OF THANKS.

TOGETHER, WE MADE A DIFFERENCE

The success of our Isiolo outreach was made possible through the generosity, dedication, and selfless service of our supporters, volunteers, and partners.

We extend our deepest gratitude to our CEO, whose generous financial contribution and hands-on leadership were instrumental in making this outreach a reality. We also sincerely appreciate the invaluable financial support provided by **LED Power Technologies (EA) K Ltd**, whose partnership enabled us to reach and impact the children and families we served.

This memorable event was **spearheaded by our CEO** and successfully coordinated by **our dedicated Coordinator**. We also recognize the outstanding commitment of our volunteers, especially **Cecily, Mama Aidah, and her friend**, who travelled many miles beyond Isiolo, sacrificing their time and comfort to ensure the event was a success. Your generosity, dedication, and willingness to serve exemplify the true spirit of **Linkcare Center for Empowerment**. Because of your collective efforts, over **150 children** received hope, care, and a reason to dream bigger.

Thank you for standing with us in transforming lives and building stronger communities. Together, we are creating lasting impact.

MEET THE TEAM.

— **Charles Maina, Founder Board Chair
& Executive Director**

— **Joseph Mutema, Secretary**

— **Peggy Macharia, Treasurer**

MEET THE TEAM.

— Joe Muguro, Project Manager & Coordinator

— Carol Ngugi, Partnerships & Resource Mobilisation Lead

— Jose Githaiti, Communication & IT Admin
