LINKCARE'S MAGICAL CHRISTMAS PARTY: JOY UNBOUND!

DEC 13 | NGEWA PRIMARY SCHOOL | A DAY OF LAUGHTER, LOVE, AND LASTING MEMORIES!

What happens when you mix bouncing castles, chapo feasts, and a squad of hyped-up kids? Pure holiday magic! On December 13th, Link Care Center teamed up with Njeri's Kabati Kids for an unforgettable Christmas party. From dawn-to-dusk games to heartfelt bonding, we turned festive cheer into real community impact. Spoiler: No one left without a smile (or a T-shirt)."

Morning Vibes (9 - 10 AM): "Kids checked in amid DJ beats and light dancing—volunteers signed the code of conduct. T-shirts flew out, followed by a short Christmas message and prayer that set the tone for encouragement and fun."

Game Time Explosion (10 AM-12 PM): "GIG REAL and MC Ndoshyndoshy turned it up! Amazing hype session where everyone danced and had to show off their best moves. Singalongs, Dances, musical chairs, and endless bouncing castle action.

Showcase & Break (12-2 PM):

"The kids stole the show with dance performances and gymnastics flips. Then, we ate a few snacks while getting some introduction from the linkcare team as we listened to some greetings from Njeri.

Christmas Feast (2- 4 PM): Then lunch was served: Chapo, stew, rice galore, served with soft Christmas tunes and shared laughs. People danced in their seats as they ate to their full.

Afternoon Connections (2-4 PM): "Free play kept the energy high, leading into our Link Care segment—sharing stories, bonding circles, Q&A, and group selfies that captured the heart of it all."

Grand Finale (4-5 PM): "Cake cutting and eating, Gifts, snacks (biscuits, fruits, juice, popcorn), thanksgiving prayers, and a final dance-out. We wrapped with appreciation for everyone involved."

VOICES FROM THE DAY!

The children's gratitude and humility as they said "thank you" moved me deeply-it brought me to tears. Their sincerity was a powerful reminder of how much even the smallest acts of kindness truly impact people and are appreciated greatly.

— **Charles Mwangi, Founder, Board Chair & Executive Director**

We thank God for allowing us to experience this wonderful occasion full of love and joy. After a long year, these are the days we look forward to so that we can share the blessings. May we see more lively days like these.

— **Joseph Mutema, Secretary & Board Member**

We shared a joyful day with the less fortunate children, filled with play, warm meals, and Christmas cakes. Beyond the food and fun, the day reminded us of the power of kindness, dignity, and hope in transforming young lives.

"It is more blessed to give than to receive." — Acts 20:35

— **Peggy Macharia, Treasurer and Board Member**

VOICES FROM THE DAY!

“The day was filled with joy and celebration as the children enjoyed a nutritious meal, fun games, lively dance sessions, and beautiful performances. An overall blessed day that left us feeling grateful for life and the season, we pray God grants us more days like this.”

— **Joe Muguro, Project Manager & Coordinator**

I have always loved giving back and helping others but this day showed me what it really means when you're met with joy and elation from the people you impact. I hope to continue to make a difference in people's lives

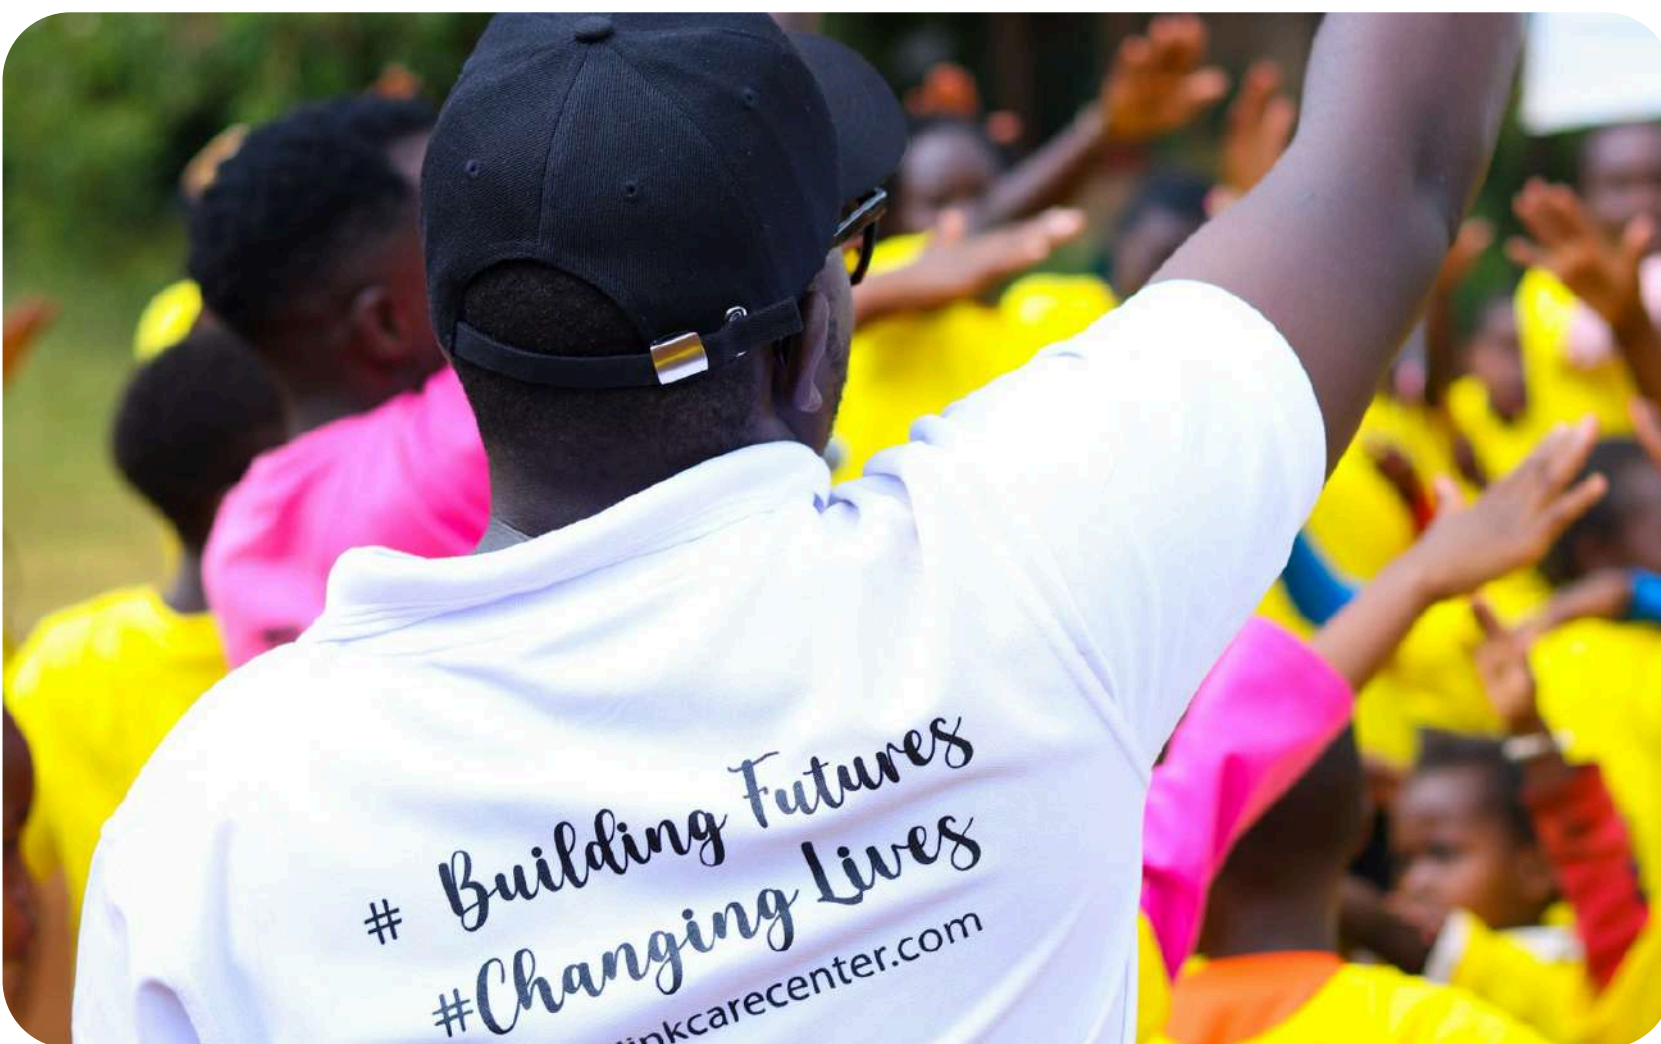

— **Jose Githaiti, Web Administrator and Events Coordinator**

“Thank you, LinkCare Centre for Empowerment and Governance, for sponsoring the Christmas events for our children. Your generosity brought joy, smiles, and hope to young hearts, making this festive season truly meaningful.”
